

Our vision for Ashby Hastings...

Our school is committed to delivering a high-quality, ambitious and inclusive education for all of our children. We recognise that choosing a school for your child is a big decision, and we take the responsibility of looking after your child's education incredibly seriously.

Your child will be part of an enthusiastic, creative community of children, and will develop skills that will set them up for the next phase of their school life, as well as having a fun, and rewarding time with us.

We have created an inviting, inspiring environment, coupled with the wide-ranging **CONFIDENCE** curriculum which supports the different ways of learning that each child has.

Our new school is part of the highly successful Symphony Learning Trust, and as part of this family of schools is supported by the excellent resources available to it.

A welcome from our Head of School

Dear Parents / Carers,

Firstly, let me welcome you to our brand-new school; a school I am immensely proud to lead!

At Ashby Hastings Primary School we aim to offer a rich and engaging school experience that inspires the children to achieve their full potential in all they do.

We want them to become resilient, positive, curious learners who adopt determination to succeed. Our children will be equipped with the skills and mind-set to thrive and will develop their resilience in life. This resilience will be wider than education and we aim to prepare our children to have the necessary skills to be successful in 21st century life.

Children will be valued, empowered and challenged to achieve their potential and excel in their achievements.

We look forward to welcoming you and your children to Ashby Hastings Primary School!

Regards,

Mrs R Mckeown
Head of School
