Ashby Hasting is a growing school, opened in August 2021 to Foundation Stage children; these children will be entering upper Key Stage Two in August.

Ashby Hastings Primary School has built a reputation for being welcoming and supportive, dedicated to providing an exceptional education for our enthusiastic and well-behaved pupils. We have a strong community ethos, with supportive parents, friendly staff, and dedicated governors. Our school was purpose built and the children and staff benefit from excellent facilities inside and out. We were graded as 'Good' in our latest Ofsted inspection, June 2024.

- demonstrate and believe in high expectations and aspirations for all learners in the class,
- be confident to engage with parents and develop positive home/school relationships,
- have evidence of successful and effective classroom support,
- have a commitment to ongoing professional development,

- live life with a smile.

What we can offer you:

- An outstanding team environment where teaching and learning are at the heart of all we do
- Opportunities for continued professional development within the Trust, alongside colleagues from other schools in our Trust and with other recognised providers.
